* **Cmolik Foundation Scholarships**

While a post-secondary education can be life-changing, it's a goal that's out of reach for many students. We're trying to change that. Every year, we award up to 20 scholarships, each one a maximum of \$40,000 paid over five years of study, to students graduating from BC high schools. Scholarship recipients have faced adversity but have responded with positivity and tenacity, achieving academic and social goals. With hard work and support, their post-secondary dreams can become a reality.

What's more, students who are awarded the Undergraduate Scholarship are eligible to apply for our Graduate Scholarships, one \$30,000 and two \$15,000 scholarships.

Please visit scholarship website for eligibility requirements. <https://thecmolikfoundation.com/>

Nomination deadline is January 24th, 2023. If you are interested in putting your name forward, the G.P. Vanier deadline is **January 20th, 2023**. Please see Ms. Allan (Counseling office) or Mr. Kuhnert for more information on the nomination process.

* **The Terry Fox Humanitarian Award**

Valued at \$28,000 The Terry Fox Humanitarian Award is one of Canada's most established and prestigious awards.

The award is highly competitive, and we consider the most suitable candidates to be those who demonstrate the ideals of Terry Fox- true humanitarians, individuals who are compassionate and altruistic in their intention to improve the lives of others and human welfare overall.

Terry Fox Scholars are "doers" with the ability to inspire and make a positive impact on the lives of others.

In making our selection, we seriously consider the extent to which candidates have experienced and overcome what others might consider an insurmountable obstacle yet are determined and dedicated to helping others.
