## **NEW REPORTING**

The new curriculum has been in place in all grades since 2019, but report cards and the way student learning is communicated haven't really changed for decades. Beginning **September 2023**, reporting and report cards will change to align with the curriculum to help ensure that every student in the province is set up for success in their learning.

Proficiency Scale	Emerging	Developing	Proficient	Extending
	The student demonstrates an initial understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a partial understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a complete understanding of the concepts and competencies relevant to the expected learning.	The student demonstrates a sophisticated understanding of the concepts and competencies relevant to the expected learning.

## What's New

- \* Student reporting practices that align with B.C.'s curriculum and Provincial assessment system
- \* Provincial Proficiency Scale at Grades K-9
- \* Changing the "I" reporting symbol to "IE" to indicate "insufficient evidence" of learning instead of "incomplete" learning
- \* Student self-assessment of Core Competencies and goal setting, in all grades in the 3 written reports
- \* Graduation status updates at Grades 10-12
- \* All learners, including students with a disability or diverse ability, will receive regular communications of student learning in the same way as their peers in any other program.

We have a delivery date of the week of June 16<sup>th</sup> for the Vanier 2022/2023 Yearbook. If you were not able to purchase a yearbook before they sold out, please stop by the main office and add your name to our yearbook waitlist.

We had a team of 7 students represent Vanier in the Math Contest at North Island College. Top results include:

**Rio Hayashi** (1<sup>st</sup> in the Senior Contest)

**Roy Peters** (2<sup>nd</sup> in the Junior Contest)

**Mikayla Roddam** (3<sup>rd</sup> in the Junior Contest)

All seven conducted themselves exemplarily and performed impressively in the contest. “Thanks to Travis Gorski for taking the team.”
