A. INTRODUCTION

There are three main sources of financial aid for students who are planning to continue to post-secondary education or training:

1. **SCHOLARSHIPS** – are offered to students of high academic and technical achievement. Criteria will also include leadership, creativity, community and school involvement, potential, citizenship, etc.
2. **BURSARIES** – are offered on the basis of student financial need, achievement, and other requirements.
3. **CANADA STUDENT LOANS, BC STUDENT LOANS AND BC GRANTS**
These loans and grants are accessed through a single application process. Eligibility is based on need and other criteria. Applications and details about Student Aid BC are available at: <https://studentaidbc.ca/>

B. DISTRICT/AUTHORITY SCHOLARSHIP AWARDS

District/Authority Scholarships recognize graduating BC students for excellence in their chosen areas of interest or strength. These scholarships are intended to help students pursue post-secondary education.

The Ministry will allocate 5500 scholarships pro-rated to schools based on their September 30th Grade 12 enrolments. Winners receive a **\$1,250** voucher that can be used towards post-secondary education tuition.

To apply for a District/Authority Scholarship Award, ***you must complete the Ministry of Education District/Authority Scholarship Application form (found in the Counselling Office) and return it to Shannon in the counselling centre by no later than March 7th, 2024 at 1:00 pm:***

- Meet the following basic eligibility requirements:
 - Must be a Canadian citizen or permanent resident (landed immigrant) at the time of registration in the school year for which the scholarship is awarded;
 - Must be a BC resident
 - Must be a Vanier student in grade 12.
- Meet criteria determined by the local scholarship committee, which requires a student to demonstrate outstanding achievement in any of the following **focus areas** at school or in the community.
 - **Indigenous Languages and Culture**
 - **Fine Arts** (e.g., Visual Arts, Dance, Drama, Music)
 - **Applied Design, Skills, and Technologies** (e.g., Business Ed, Technology Ed, Home Economics, Information Communication Technology)
 - **Physical Activity** (e.g., Athletics, Dance, Gymnastics, not limited to Physical Education)
 - **International Languages** from the International Languages Curriculum or External Assessments, including AP and IB courses
 - **Community Service** (Volunteer Activity), which includes awareness of local, global, and cultural issues
 - **Technical and Trades Training** (e.g., Carpentry, Automotive, Mechanics, Cook Training)
- Fulfill the BC graduation requirements of either the 2024 Graduation Program or the Adult Graduation Program by August 31st of the student's graduating year.

C. YOUTH WORK IN TRADES

Youth Work in Trades (formerly the Secondary School Apprenticeship Program) provides skill development through practical, hands-on work experience.

Students enrolled in these courses go to work and attend high school at the same time. That means they have found an employer who is willing to take them on (and pay them) as an apprentice.

Students who are eligible for the **Youth Work in Trades \$1,000.00 Award** will automatically be considered. There is no need to apply. To be eligible, students must have:

- Been registered with the Industry Training Authority as a Youth Apprentice
- Currently enrolled in high school in BC in Grade 10-12.
- Successfully complete WRK 11A, WRK 11B, WRK 12A, and WRK 12B
- Reported a total of at least 900 hours to the ITA by December 31 of the school year the student turns 19 **

* Note: A student's graduation transcript only includes the courses the student passes. The Youth Work in Trades Award uses all Grade 12 numbered courses in the calculation of the grade point average.

** To be eligible for a Youth Work in Trades Award, a student must complete 900 hours of work-based training by December 31 of the school year the student turns 19. The December 31 date ensures the awards will be ready for distribution during that school year. In some cases, students are unable to complete the required hours by December 31 due to circumstances beyond their control. To accommodate these students, a second cycle to verify work-based hours occurs in early September of the following school year. Those school-aged students who met the eligibility criteria on or before June 30 but were unable to complete or report their hours to the ITA by December 31, can still receive the award if they accrue the required work-based hours by August 31.

If you have any questions about the Youth Work in Trades program, please see the Careers Office in Room 130.

D. LOCAL BURSARIES AND SCHOLARSHIPS

Vanier Selected

Recipients are chosen by the Vanier Bursary Committee. Applications, the steps in the process and the list of Bursaries and Scholarships are with this booklet. The **Vanier Selected** application form is used.

Donor Selected

Recipients are chosen by local donor organizations. The applications and the steps in the process are with this booklet. The **Donor Selected** application form is used. (A few exceptions are noted in the bursary description.)

AMOUNT: \$400

MEGAN DALZIEL MEMORIAL BURSARY

This bursary was created in memory of Megan Dalziel. Megan was an outstanding multi-sport athlete and a star basketball and volleyball player for three years at Vanier. She followed that up by helping UVIC win two CIAU national championships in four years (1998 & 2000). After university Megan taught and coached at York House. She is a member of the Vanier Athletics Hall of Fame. Megan was disarmingly humble, and her smile lit up all those around her. Her friendly disposition and inclusive positivity made her a favorite teammate wherever she went. She had time for everyone and is fondly remembered as one of the best people possible, and as an inspiration for all who met her.

This bursary will be awarded to the graduating Vanier female student who meets the following criteria:

- Has shown excellence in athletics and academics,
- Is pursuing post secondary education,
- Preference is given to students reflecting the personal attributes shown by Megan.

AMOUNT: \$1,000

NORTH ISLAND COLLEGE FOUNDATION HIGH SCHOOL BURSARY

The NIC Foundation provides high schools throughout the region with awards to encourage and support graduating high school students who plan to attend North Island College. Invited high schools will nominate one student recipient. This award must be applied to tuition in the calendar year the award is made (i.e. before December 31st). When no recipient is provided in any given year, the bursary will support any student attending NIC.

The award must be applied to Fall tuition only (student course must begin between July 1, 2023 – December 31, 2024) and we will not offer deferrals if the student decides not to attend within this time period.

AMOUNT: \$1,000

PIERCY'S FUNERAL HOME MEMORIAL AWARD

Piercy's Funeral Home is pleased to offer this award annually in memory and in honour of those they serve. The successful candidate must be a graduate of G.P. Vanier who is proceeding directly to a recognized post-secondary

institution in full-time enrolment. The applicant must be a well-rounded student who shows good academic achievement and be active in school and civic affairs.

AMOUNT: \$500

PUNTLEDGE PARK ALUMNI ENVIRONMENTAL STEWARDSHIP

This bursary will be awarded to a student who has attended École Puntledge Park Elementary and who demonstrates a keen understanding of environmental issues. Ideally the recipient will have showcased their commitment to environmental issues by initiating or participating in environmental clubs or outdoor programs within the school and/or the community.

AMOUNT: \$500

RANDY RAWSON NIGHTHAWK SCHOLARSHIP FUND

The 409 Squadron and friends of the late Randy Rawson have provided a bursary as a memorial to Randy. Randy was born in Comox on March 26, 1965 and lived in several Canadian provinces before the family returned to the Comox Valley where Randy completed his grade 12 graduation with honours from Vanier in June 1983. Randy was very active in school and community activities, including being a paper boy, a scout, a CRA volunteer, and a member of minor hockey and church youth groups. He joined the military services as an officer candidate and attended the Electrical Engineering Faculty of the University of Alberta in Edmonton. The whole community was shocked and saddened by his sudden death in a car accident on June 29, 1984. The bursary is awarded to a Vanier graduate who meets the following criteria:

1. Has been accepted into the Canadian Armed Forces as an officer candidate;
2. If no officer candidate applies, a graduate accepted into military service will be eligible;
3. Preference will be given to an applicant who has attended a driver-training course at an accredited driver training school;
4. The applicant must have participated in local community work with children.

TIMOTHY BURNS BURSARY (ALICIA BURNS BEQUEST FUND)

The Alicia Burns Bequest Fund held at Vancouver Foundation established the Timothy Burns Bursary following her death in September 2006. Alicia burns was born in the Comox Valley and received her initial education in School District 71. She was raised from age five by her mother, who was a tremendous force in shaping Alicia's view of the world, She was academically motivated, athletically inclined and able, and always a participant in student affairs. Alicia was constantly striving to better her education and sought challenging positions to maximize her ability to contribute which led her into politics in the late 80's and she was elected as the first woman mayor in the Valley. Among her last wishes was a desire to continue to give back to her home community through scholarships. She wished these to be in memory of two members of her family who predeceased her and were very important to her. These two individuals were her mother Florence Burns and her younger brother Tim.

The Timothy Burns Bursary is an annual bursary presented to a student at G.P. Vanier in memory of Timothy. He was born the youngest of eight children and was raised entirely by a single parent as his father died when he was just eight months old. He grew up in the Valley and was known for his sense of humour. Tim attended various Valley schools, one being Vanier. Sports were very important to Tim, who excelled in cross country running, basketball and baseball. There are still trophies at Valley schools bearing his name. At age 19 Tim died of an inoperable malignant brain tumor.

This bursary is to be given out for more than just academic achievement. It is to be given to students who were involved with athletics, but not just "jocks"; who participated in student government and other activity clubs; and who were raised by a single parent or faced other challenging backgrounds. Also, its importance is to help a student who is adventurous and wants to push their limits by seeking to move their horizons beyond the familiar grounds of the Comox Valley. Both Alicia and Tim felt it was essential that we should experience and learn from those outside our normal circle of family, friends and community.

AMOUNT: \$2,500
