With the arrival of warm spring air, we bid farewell to the winter season and welcome the start of spring athletics. Our **ski team wrapped up their season with a trip to Whistler, highlighted by one athlete qualifying for the snowboarding provincials at Troll Mountain, just south of Prince George. Our **wrestling team** also had a strong showing, sending a large contingent to provincials and earning multiple podium finishes.**

Basketball remained in full swing throughout February, with all our teams competing in playoffs. The junior girls and grade 9 girls' teams both secured spots at provincials, where they represented the school and community with determination and pride. The senior boys, although their season ended earlier than hoped, were recognized for their outstanding character, earning the Most Sportsmanlike Team award at the AAAA Island Championships—an achievement that reflects the values we instill in our athletes.

As winter sports conclude, the focus now shifts to rugby, golf, mountain biking, girls' soccer, and track and field. The practice schedule is available online, and with the addition of three new sports, more students than ever are seizing the opportunity to get involved in Vanier athletics. This spring, we are excited to introduce ultimate frisbee, tennis, and badminton to our athletic program.
