Instructions

Welcome to Grade Eleven Course Selection

Grade 11 offers each student more choice in their required courses. Remember you are required to take a minimum of 60 credits in Grade 10-12 which will be a combination of required and elective courses. It is very important you discuss your Grade 11 course selections with your counsellor and your parents. As you select courses for Grade 11 you will need to consider your future education goals (post high school), post secondary entry requirements and your interests.

Required Grade 11 Courses for ALL students:

- Literacy Studies/Composition 11, or New Media/Communication Skills 11, or First Peoples Literacy Studies/Composition 11
- Science 11 - Choose between Life Sciences 11, Chemistry 11, Earth Science 11, Physics 11, Physics and Engineering 11 (4 credits), Science for Citizens 11, or Social and Environmental Studies (8 credits)
- A Social Studies 12 - Choose between 20th Century World History, Law Studies, Comparative Cultures, Human Geography, Physical Geography, Social and Environmental Studies, BC First Peoples, Social Justice
- Mathematics 11 - Choose between Pre-Calculus 11, Foundations of Math 11 or Workplace Math 11
- Career Education 11

Grade 11 Electives:

- Students must choose **FOUR** electives.

NOTE: Vanier's course offerings are determined by selections. Some courses may not run due to low enrollment. Selecting an elective course does not guarantee you will receive the course, although every effort will be made to meet student requests.

Grade 11 Alternates:

- Students must choose **FOUR** alternates

NOTE: Alternates will be used if elective choices are unable to be met and your timetable is incomplete. If you do not choose alternates, courses will be chosen for you.

Students should review their course selection choices with their parents keeping future goals and graduation requirements in mind throughout the process. If you have any questions please see your House counsellor.

MISSING Grade 10 Courses?

If you have not completed English 10, Math 10, PHE 10, Science 10, Career Education 10 or Social Studies 10, you must take the course again before moving onto the grade 11 level. Please indicate in the counsellor notes if you need a Grade 10 course.
