- ★ Did you know? 1/5th of the world population celebrates Lunar New Year!
Lunar New Year is the beginning of a calendar year whose months are moon cycles, based on the lunar calendar. The Lunar New Year as a celebration is observed by numerous cultures including Vietnam, Thailand, Taiwan, Singapore, Malaysia, Indonesia, China, Philippines, and Korea.
- ★ Earth Day's Canopy Project Helps Plants Roots in Community-Based Reforestation Activity. Community-based reforestation places local residents at the center of environmental recovery. Earth Day's Canopy Tree Project demonstrates this approach through partnerships across vulnerable regions worldwide. Since 2010, the organization has planted hundreds of millions of trees while creating jobs and strengthening community resilience. The project targets 60 million additional trees by Earth Day's 60th anniversary in 2030. Beyond that milestone, the goal extends to one billion trees by 2060. These numbers represent more than carbon capture. They signal income opportunities, food security, and restored habitats.
- ★ There is an exhibition of fantastic student art on now, from February 11 - February 27, in the display cases across from the gymnasiums at the Comox Community Centre. If you get a chance, have a look at the work of several talented Highland artists, along with artists from the other high schools. There will be an art event that is open to the public on the evening of February 27th. Come join the artists to celebrate their incredible accomplishments!
- ★ Want a French credential you can use beyond high school? Come to a DELF info session – Wednesday at lunch in Room 206. The DELF is an internationally recognized French certificate that can boost university applications, jobs and your confidence in French. Come see if it is a good fit for you!
