VP Report-Alissa

Summary of learnings went out and showcase of learning went well, all students supported each other.

Masks- We, as a school, have been fortunate to start this later than most.

Bodies health and sex ed are coming up; Casey will be coming in to help. Grades will be split up appropriately for learning.

Student learning surveys have been sent out; Alissa will receive the results and plan the school year from the feedback.

The last Outdoor Ed and Stem day went really well.

There will be 3 classrooms/teachers next school year, unless there is a huge shift in numbers.

Judi-

The kids have been getting outside alot more and they often take breaks from mask wearing.

The kids are handling the mask wearing really well.

Yoga Mats- 30 mats will be ordered.

Outdoor Blankets-

to allow more outdoor learning and reading time, Alissa will buy outdoor blankets and drying racks.

Braea motions to spend \$200 from PAC, Faith seconds

7th Grade Graduation- Hoodies

Faith motions to spend \$200, Jala seconds

Seabreeze dinner for grads and staff if open, depending on current covid restrictions.
