Alissa’ s note to families...

Dear Families,

Our week started off with a burst of excitement for Carnaval! Thank you to Casey and the Grades 5-7 “Orange Wolves” for giving us a blast of fun and learning!

We will have a Valentine’s Day celebration on Monday, February 14th. Please remember to be inclusive with Valentine’s Day cards. If your child doesn’t want to give a card to everyone in their class, giving the cards outside of school time is a better option.

If your child doesn't have time to make cards at home, we will have a centre set up with materials to make some if they would like to.

Attribute of Kindness: We have a "Kindness Tree" set up in our front foyer. We are all watching for acts of kindness we can add to our tree to see how kindness grows one action at a time!

Our Makerspace is in need of clean recycling or other materials e.g. cardboard boxes (cereal, crackers, tea, etc), cardboard tubes, interesting bits of paper, and /or other bits and bobs you may have around that would be fun to create with. You can drop them off, or your child(ren) can bring them to school.

Thank you to everyone for your support in keeping our school healthy during these ongoing COVID times. If your child is at home ill, we do have many learning activities available at our **School Website** [Learning Links page](#). Check them out!

Hot lunch Bean Burritos on Tuesday

If you have signed up for hot lunch on Tuesday, please don't forget to still send more snacks for throughout the day. Only students who have signed up will be served lunch, so be sure to sign up in advance.

If your family is experiencing any hardship financially, please fill in the form and note that you would like a subsidy for your child(ren).

Sexual Health Workshops for Children, Youth and Families with Kerri Isham!

Kerri Isham has several online workshops coming up this winter/spring, including "Safe, Unsafe, and Secret Touch", "Puberty: Coming to a Body Near You", and "6 Must-Have Conversations with Teens". Kerri is an amazing and engaging educator and we endorse her science-based, body-positive presentations to promote health and safety for children and young people.

Please visit the website below for a list of Kerri's upcoming presentations and to register. If the cost is a barrier for you or your family to attend please contact meredith@hornbydenmanhealth.com for financial support.

SD71 DPAC welcomes back Kerry Cavers of Moms Against Racism (Canada) to present an online workshop called

"What is Cultural Appropriation?"

via Zoom on Thursday February 24th at 7pm.

(Zoom link below)

Outline: "Are you unsure if something is cultural appropriation or appreciation? This interactive and informative 1.5 hour workshop is facilitated virtually by Kerry Cavers,

Founder & President of Moms Against Racism Canada. With compassion and connection, Kerry helps attendees build the foundational knowledge and understanding they need to critically discern for themselves the difference between the two concepts.

Kerry invites participants to reflect upon their personal experiences and relationships to different cultures while leading them through a thought-provoking session covering:

- What is Moms Against Racism?
- Definitions: Appreciation vs Affinity vs Appropriation, Culture
- Examples: The Power Dynamic: Costumes, The Problem with Disney, Just because you can...
- Questions and Discussion

Questions can be submitted ahead of time by email or posed via chat (anonymously if desired) or live during the session.

A worksheet is provided so participants can actively follow along, take notes, capture insights, and document commitments throughout the session. Additional resources also provided following the workshop."

School Closures, Power Outages, Ferry Cancellations

We are VERY excited that our first power outage, occurring before school opening time went smoothly using our new generator!! We will continue to follow our protocols below as there may be other instances that interrupt school operations.

Our procedures for power outages, ferry cancellations, and other situations that may affect regular operations of our school are as follows: **if the power is out (or another situation arises) before school starts, the Principal/Vice Principal will contact the School District to make a decision on closing the school. If the school is to be closed we will begin the emergency call outs.** If the power goes out during the day, we will make a decision based on information we receive about how long we will be without power. We may need to close the school. If this is to happen we will contact parents/guardians/emergency contacts. For this reason, and in the case of other emergencies, it is VERY important we have your verification forms with alternate emergency contacts. **If School District #71 is closed due to weather conditions, Hornby School will also be closed unless otherwise stated. Again, the phone tree call out will be in effect and all efforts will be made to ensure call outs happen early in the morning.**

If there are power outages we may not get through to your phone line; please be sure to listen to the local radio stations.

Please note: contact information we have on file is provided by parents at the beginning of the school year when you review and sign the student verification form; If there are any changes in contact information throughout the year (i.e. phone, address, etc.) please notify the school as soon as possible so this can be updated in our system.
