Judi's note to families...

Happy February! What a fantastic week, despite the fact that our Canadian Groundhog saw his own shadow, predicting we will have 6 more weeks of Winter. Our first Soup and Salad Lunch on Tuesday was a success, thanks to Jade and Braea! Also, thanks to our parents who organized and facilitated the Hot Lunch Sizzle wraps on Wednesday. What a treat. We are truly fortunate to have such supportive parents in our community. On Thursday, our local RCMP Constable Paul paid a special visit and connected with the students in each of our classes. What a fantastic way to end the school week. Enjoy the weekend, everyone!

Please be reminded that school begins at 8:40 am. Arriving a few minutes before the bell sets students up for success, allowing them to connect with their peers and greet their teachers. Arriving on time allows students to begin their day in a positive way, without disrupting the learning of their classmates. Thanks for your ongoing support!

NEW Hornby Island Community School Vision and Values

Before the Winter Break, staff and members of the PAC finalized the school's new Vision and Values statement, as follows:

A caring and inclusive learning environment, built on positive relationships, where students are empowered to take on challenges and grow to their full potential.

As a community school, we value taking care of ourselves, others, and our place. We believe that by fostering a sense of belonging, independence, mastery and generosity, our learners will have the skills to be successful in the world, both today and in the future.

It's time for Kindergarten Registration at Hornby Island Community School

School District No. 71 (Comox Valley) will be enrolling Kindergarten students (Neighbourhood, French Immersion, Montessori, Indigenous, Fine Arts and eClasses) in district schools for attendance in September 2023.

To be eligible for enrolment in September 2023, a student must turn five (5) years of age by December 31, 2023. Each child's birth certificate and proof of address must be uploaded or presented at time of registration. Care Cards will not be accepted as proof of birth, but we need the Care Card number on the registration form. A Passport or Landed Immigrant authorization are suitable forms of documentation in lieu of birth certificates.

NEIGHBOURHOOD KINDERGARTEN REGISTRATION: All our Kindergarten classes are full-day programs. Parents are asked to register their children at their current neighbourhood catchment school using the online registration page - <https://www.comoxvalleyschools.ca/student-registration/> beginning on January 16th, 2023. While most, if not all, students living in a school's local catchment will be accommodated at that school, they cannot be guaranteed placement in the catchment area school and may be required to go to the nearest school having space available.

Registration Process

Our classes are 4 full-day multi-age programs. Parents are asked to register their children by February 15, 2023. Please register as soon as possible to help with planning for next year eg. class formation, staffing etc.

Bus Transportation

If you live in an area where busing is provided, please complete a Bus Transportation Registration Form which is located at www.comoxvalleyschools.ca/studenttransportation. All students travelling on School District No. 71 school buses must carry a bus pass. There will be a Welcome to Kindergarten session at the school in the Spring to start the transition process. An invitation will be sent out once details are confirmed. We look forward to welcoming your child to the Hornby Island Community School and learning together!

For questions about Kindergarten in School District 71, please see the FAQ's on the district website -- contact the individual school staff, Judith Ayers - Vice Principal or Kayla Myles - Kindergarten teacher, or email kindergartenreg@sd71.bc.ca.

AM'LALA SA KUMUXSE'

<https://www.comoxvalleyschools.ca/indigenous-education/a%cc%b1mlala-sa-k%cc%b1%cc%93umux%cc%b1se/>

Am'lala sa K'umuxse' was created in July 2018 for Indigenous Education (School District 71) to be sung by all students to celebrate Kwakwaka'wakw culture and language. Am'lala sa K'umuxse' translates as 'Play Song of the K'omoux' and speaks to the great land "ila a hii" and the powerful ocean and rivers "skoo kum chuck" that are here within the lands of the K'omoux. The song was released into our School District in a ceremony held during a Professional Development Day on February 15, 2019.

Methods of Communication

At Hornby Island Community School, we know that communication between school and home is of great importance to a child's success at school. School staff share information frequently through the following pathways:

Monthly School Calendar Update: shows upcoming events and celebrates past successes and student recognition. The calendar is updated in weekly notices and posted on our school website.

Weekly Newsletter: sent out by email every Thursday to parents and staff. We also post the notice on our school website. Please be sure to check your email every Thursday to keep informed about important events and announcements.

Student Planners: classroom teachers and EA's support students in recording important information daily.

Allergy/Health Alerts

Please be aware we have students with allergies/sensitivities to specific foods. Students are not to share their lunches with others.

HICS is scent free. For the comfort of all, please refrain from wearing perfumes and oils in our school building.

Use of School Facilities

Priority for school facility bookings outside of school hours are given to those organizations providing programming to children/youth. Our Gymnasium and Raven Room spaces can be booked by community groups. These bookings will now be made online through the SD71 website. Please book far in advance. Call the school for more information.

We are looking forward to a great year of learning together with you!

Please do not hesitate to contact us with any comments, questions, suggestions, or concerns you may have.

School District #71 Emergency Plans

First Aid Attendants onsite are Charmaine Logan and Florette Maclean.

Please familiarize yourself with our school district's emergency plans so you know what to expect if we are faced with an issue. <https://www.comoxvalleyschools.ca/wp-content/uploads/2020/12/SchoolEmergencyProgramFeb2020.pdf>

School Closures, Power Outages, Ferry Cancellations

Our procedures for power outages and ferry cancellations may affect regular operations of our school. If the power is out before school starts, the Principal/Vice Principal will contact the School District to decide on closing the school. If the school is to be closed, we will begin the emergency phone tree callouts. **If the power goes out during the day, we will make a decision based on information we receive about how long we will be without power.**

If there is an issue with our generator, we may need to close the school. If this is to happen, we will contact parents/guardians/emergency contacts. For this reason, and in the case of other emergencies, it is **VERY** important we have your verification forms with alternate emergency contacts. If School District #71 is closed due to weather conditions, Hornby School will also be closed unless otherwise stated. Again, the phone tree call-out will be in effect and all efforts will be made to ensure callouts happen early in the morning.

If there are power outages, we may not get through to your phone line so please be sure to listen to the local radio stations at 97.3 The Eagle and/or 98.9 The Goat. If you can, check the School District website for notices on school closures at: <https://www.comoxvalleyschools.ca/>. Closures are usually announced by 6:30 AM.

Please note that the contact information we have on file is provided by parents at the beginning of the school year when you review and sign the student verification form. If there are any changes in contact information throughout the school year, please notify the school as soon as possible so we can update our system.
