## Note from Judi...

Our students settled down to some deep learning this week after all the Halloween festivities. Some of the learning revolved around what it means to keep peace in their own lives, as they reflected on current and past conflicts in the world. The school assembly was a meaningful way to consolidate some of that learning together. It was exciting to have the school district Superintendent, Jeremy Morrow, Associate Superintendent, Jay Dixon, and Marieke Holtkamp, VP of NIDES attend the Grade 8/9 Vision Meeting, as well as have them join our Swing Set donors in the official ribbon cutting ceremony. It was special to have our students thank them in person and for our guests to see how much our students are enjoying the new swings. I wish everyone a lovely long weekend.

## **Sending Snacks for students**

It is amazing to have lunches provided 3 days per week, but we are noticing that students are still needing sizable snacks and sometimes something extra at lunch. Please make sure to send enough snacks for your child(ren) to get through the day.

## **JADE'S SOUP & SALAD PROGRAM IS EVERY TUESDAY!**

## **PAC HOT LUNCHES EVERY WEDNESDAY AND THURSDAY!**

The PAC lunches are a huge undertaking for the PAC and such an amazing benefit to all families. Please volunteer to help if you can.

### **Mondays –8:30am to 10:30am**

Muffin leader volunteers are needed Nov 6, 20,27, December 11 and 18. As a muffin leader you will need to get the training in advance.

Contact Laila [lailabudd@gmail.com](mailto:lailabudd@gmail.com)

### **Wednesdays – Hot Lunch volunteers needed 11am - 1pm** contact Braea

[braeawalmsley@hotmail.com](mailto:braeawalmsley@hotmail.com)

### **Thursdays - Hot Lunch volunteers needed 11am - 1pm** contact Britt [britt.hanson@sd71.bc.ca](mailto:britt.hanson@sd71.bc.ca)

Currently there is no charge for the food programs. However, there may be some costs to families further into the year.

## **Bike, Roll or Walk to School Wednesdays this Fall**

Let's Bike, Roll or Walk to school on Wednesdays and keep our bodies moving during the shorter days and colder weather. A little extra clothing like warm gloves and a cosy headband can really help with comfort on chilly mornings. Blue Toque's cross country ski glove bin is a great source for kid-sized gloves with enough warmth and dexterity for biking. Please be sure to join us!

## Next PAC Meeting November 14<sup>th</sup> at 3:45pm

### **Communicating absences or end of day plan changes**

It is important to include this email address: [Hornby.island@sd71.bc.ca](mailto:Hornby.island@sd71.bc.ca) when communicating with the school about student absences, or end of day plans, or any other messages that need to be attended to quickly. Any Admin. Assistant who is at the desk, will check this email.

If you are making bus changes for the end of the day, please also include

[Florette.maclean@sd71.bc.ca](mailto:Florette.maclean@sd71.bc.ca)

### **School Arrivals and Attendance**

- Arriving on time helps to minimize disruptions to our learning environment and provides students with the opportunity to connect with peers and staff before their school day begins. It allows students to set goals for the day and prevents them from falling behind.
- Regular attendance is encouraged and expected. Attending classes helps to build community within the school and shows a commitment to supporting learners in

working toward their academic goals. At times, family circumstances or opportunities available for learning off island may require learners to be away from the school. To ensure grade level learning outcomes are met, please meet with your child's teacher to discuss plans for the absence, assignments to be completed, and our blended learning resources that can support your child during his/her absence from regular programming.

- It can be challenging for students to build positive social relationships and a sense of routine if prolonged absences occur. Please work to ensure regular attendance occurs. If there are ways the school can support your family for increased attendance, please contact us.

**Attendance is taken at 8:40 when classes begin. When children are not in attendance at this time, the Administrative Assistant will call home unless parents have previously notified staff. If your child arrives later than 8:40 am please have them check in at the office before going to their classroom to ensure our attendance is accurate.**

Please note we have an answering machine, and you can leave a telephone message at 250-335-2125 at any time of day/night. You may also email the office at [hornbyisland@sd71.bc.ca](mailto:hornbyisland@sd71.bc.ca) to report an absence.

### **Appointments**

To ensure our attendance is correct, please inform the classroom teacher and check in with the office when taking your child out of school during the day for appointments.

### **After-School Plans**

After-school arrangements should be made prior to coming to school. Students are not permitted to use school phones to coordinate playdates during school time, as this can lead to confusion and extra coordination for school staff. The school needs written permission from a parent to release a child into the care of another adult.

### **Students Leaving School Grounds**

Without written permission from a parent or guardian, we are unable to grant students permission to leave the school grounds as they are in our care between the start and end times of our day. Please note that when students leave the school grounds, they are not supervised by school staff unless it is a school-led event or field trip.

### **Parent Parking at drop-off/pick up times**

Parent parking is in the Sollans Road parking area. Please use the path when walking to the front entrance of the school. Bicycles, scooters and skateboards must be dismounted and walked to the bike racks to avoid hitting pedestrians. The school driveway and parking area are off-limits. Be aware of the school bus, small children, cyclists, and areas where parking is not permitted. Adhere to speed limits and accompany your child around the parking areas and roads.

## Bussing

Be sure to review the bus pamphlet/brochure (attached) with your child and review the information below.

- Bus supervisors (staff) and bus drivers **cannot** allow students to get off at an unregistered stop that is not approved by parent/guardian. If your child is not taking the bus or is getting off at another stop, please notify the school office as soon as possible.
- If your child is already registered to take the bus, you do not need to update the registration form unless there are changes/updates to address and bus stop. If your child will be registering to take the bus and you would like him/her to ride the bus the first week of school, you will need to submit a bus registration online prior to the end of the previous school year
- If you wish to register your child in September of the current school year, there will be a transition time before your child can ride the bus timelines for administration and processing. Until you receive notice that your child is registered to take the bus, you will need to make alternate arrangements for him/her to arrive at school.
- Kindergarten to grade 3 students will not be permitted to exit their school bus unless a parent or another adult who is known to the bus driver is at the child's bus stop to pick them up. If no parent or identifiable adult is present, the bus driver will return the child to their school.
- If there are bus cancellations families will be notified by email as soon as possible.

## Methods of Communication

At Hornby Island Community School, we know that communication between school and home is of great importance to a child's success at school. School staff share information frequently through the following pathways:

**Monthly School Calendar Update:** shows upcoming events and celebrates past successes and student recognition. The calendar is updated in weekly notices and posted on our school website.

**Weekly Newsletter:** sent out by email every Thursday to parents and staff. We also post the notice on our school website. Please be sure to check your email every Thursday to keep informed about important events and announcements.

**Student Planners:** classroom teachers and EA's support students in recording important information daily.

## Allergy/Health Alerts

Please be aware we have students with allergies/sensitivities to specific foods. Students are not to share their lunches with others.

HICS is scent free. For the comfort of all, please refrain from wearing perfumes and oils in our school building.

## **School Closures, Power Outages, Ferry Cancellations**

Our procedures for power outages and ferry cancellations may affect regular operations of our school. If the power is out before school starts, the school will open as usual unless there is a weather advisory in effect. If there is an issue with our generator, we may need to close the school. If this is to happen, we will contact parents/guardians/emergency contacts.

**It is a family responsibility to check on SD71 school closures.** If School District #71 is closed due to weather conditions, Hornby School will also be closed unless otherwise stated. Listen to the local radio stations at 97.3 The Eagle and/or 98.9 The Goat. If you can, check the School District website for notices on school closures at: <https://www.comoxvalleyschools.ca/>. Closures are usually announced by 6:30 AM.

## **School District #71 Emergency Plans**

First Aid Attendants onsite are Charmaine Logan and Florette Maclean.

Please familiarize yourself with our school district's emergency plans so you know what to expect if we are faced with an issue. <https://www.comoxvalleyschools.ca/wp-content/uploads/2020/12/SchoolEmergencyProgramFeb2020.pdf>
