Note from Judi...

What a fantastic week! Last Saturday, many of our students shared their creative talents at the Winter Craft Faire. It was impressive to see the variety of products and creations on display in the school gymnasium. The annual event, organized by our dedicated PAC, included the infamous wreath sale, (which sold out) and delicious soups. What a success!

On Wednesday, the school held a Family Gathering hosted by Heather, our Indigenous Support Worker. Special guests, Gina Coutts from MNBC Ministry of Education, Terri Hatch from the Miki'Siw Metis Association, and Bruce Carlos from SD71 shared food and stories and held conversations with students and families about what it means to be Metis or Indigenous ancestry. The bison stew for lunch was a hit (there was also a vegetarian option)!

The Winter Concert, Light will be held this evening. Led by our Fine Arts teacher, Anthea Morritt, the students will entertain the audience with song and humour. They have been practicing for weeks working very hard to present a great concert. The show will be a delight to watch! See you there.

I hope everyone has a lovely weekend finding creative ways to stay warm and cozy during these dark and chilly days :)
