Language

- Two cultures are identified in the K'omoks First Nation community: Coast Salish (Island-Comox speaking peoples) and Kwakwaka'wakw (Kwak'wala speaking peoples).
- Sliammon is one of the Coast Salish Languages.
- Traditionally the K'omoks First Nation territory is Coast Salish Territory and the original language spoken in this area is Pentlatch. There are no fluent Pentlatch speakers in this territory, today. The most similar language spoken today is Sliammon from Powell River.
