

KWAK'WALA NATURE BINGO.

This game was created on the traditional unceded territory of the Pentlatch, E'ik'sən, Sathloot and Sasitla peoples of the K'ómoks First Nation by Dr. Evelyn Voyageur and her grand-daughter, Carla Voyageur.

The Kwak'wala language is the traditional language spoken by the 18 Kwakwaka'wakw tribes who live on the lands ranging from Northern Vancouver Island SE to mid-Island and includes the smaller islands and inlets of Smith Sound, Johnstone Strait and Queen Charlotte Strait.
