RE- RUNS

Our first of two Numeracy 10 assessment sessions is taking place the last week of January.

- Students currently in a Math 10 this semester at Isfeld have been registered to write with their class.
- Students in grade 10 math classes in semester 2 will write in the June session.

Any students about to complete an online Math 10, or have previously completed their Math 10 (either in person or online) and have not taken the Numeracy 10 assessment. You can write the Numeracy assessment this January, but you first need to see Lisa in the office this week to register in order to be able to take this assessment. All students can check their MyEd portal to see if they wrote (and their score)... 'My Info' top tab > 'Assessment' side tab > look at the list for Numeracy 10. See Lisa or Mr. Bos if you still have questions.

RE/MAX of Western Canada is offering 16 bursaries of \$1000 to grade 12 students. You should demonstrate these qualities: leadership, motivation, and good communication skills. And, if you have led a group of volunteers, raised funds for a worthwhile cause, helped special needs children or cared for seniors, then you may be eligible for this bursary. Enter online at: <https://blog.remax.ca/quest-for-excellence/> **Deadline is March 14, 2022.**
