It's TTOC Appreciation Week! - did you know that some school districts do not have enough TTOC's to cover their classes? This results in classes in those districts being unable to have field trips that require a teacher to be absent, or it results in combined classes, or in the loss of other services while counsellors and librarians cover classes. Thank you to our TTOC's who help our district function and provide opportunities to students.

Happy Mental Health & Wellness Week Isfeld!
