As information continues to emerge from Tumbler Ridge, this tragic incident will impact all of us in many ways through the rest of the week and beyond. It is important for all students to know supports are available for you in Student Services (across from the main office):
School Counsellors - Ms. Buckle and Ms. Williams
Youth and Family Worker – Kyla Dewitt
ISWs – Lena and Tyler

It is vital during situations like these that we support each other and ensure we are not speculating, not spreading rumours, and we are gathering information from credible sources, as rumours and misinformation can cause confusion and pain for those most affected by these tragic events.
If you need support, please visit Student Services or a trusted adult in the building.
