**CAREER CENTRE/ WORK EXPERIENCE/VOLUNTEERING**

**Dual Credit Trades Program** - any Grade 11 students interested in doing a Dual Credit Trades Programs for next year (2026/2027), you must come to the careers office and apply ASAP!

**Calling all Grade 10 to 12 students interested in becoming a firefighter** - this year due to the new facility being built we will not be offering a fire camp, instead we will be offering the same as we did last year which is a full year once a week program for 8 to 10 students in the district. The program will be condensed module teachings based on the NFPA 1001 level I & II, this will give students a full well-rounded program with a certificate which could lead to possible employment as a volunteer or paid on-call firefighter locally or with other jurisdictions. This program will be practical evolutions only no written exams. If you are interested in more information about this program, please see your Careers Office (across the hall from the office).

**If you are a student interested in the Trades** or would like to see if we are offering the **STEP** program for grades 9-11, come to the Careers Office (across from the main office) to register or get more information. This opportunity provides a chance to explore the Trades and have some hands-on experience.

**BURSARIES/SCHOLARSHIPS**
