Our Rights

Our Responsibilities

Culture of Physical and Emotional Safety (Safe)

We have the right to be safe in this school. This means that we will not push, hit, kick, or do/say anything that makes anyone feel frightened, threatened, intimidated or unsafe.

We have the right to expect others to care for personal and school property.

We have the right to be in a learning environment free from illicit and illegal substances.

We have a responsibility to make sure the school is safe for all.

We have the responsibility to respect the property of others and of our school and community.

We have the responsibility not to be in possession of, or under the influence of, or involved in providing others illicit or illegal substances.

Positive Learning Experiences (Thriving Together)

We have the right to learn at Miracle Beach Elementary. This means that we will work together to promote learning and help to create a positive and supportive learning environment.

We have the responsibility to come to school prepared to learn. This means we are focused on learning, respectful of all learners and grow from our mistakes.

We have the responsibility to avoid distracting others or disrupting the learning environment.

Supportive, Caring, and Accepting of All (Acceptance)

We have the right to be part of a supportive and accepting school community. This means no one will treat anyone unfairly because of family, gender identity, appearance, ethnicity, ancestry, place of origin or because we learn differently.

We have the responsibility to respect individual uniqueness within our school community.

Respectful, Kind, and Caring Community of Learners (Respect)

We have the right to be treated with respect, kindness, caring and compassion.

We have the responsibility to treat others (and ourselves) with respect, kindness, caring and compassion.

Stewardship of the Environment, and Place where We Live and Learn (Stewardship)

We have the right to learn about and connect with the environment, and experience the natural beauty of the place where we live.

We have the responsibility to care for and preserve our environment, animals, and the place where we live and learn.
