## Library Bags

As we prepare for the upcoming school year, we are looking for volunteers to help create library book bags for our incoming Kindergarten students and other new learners. These special bags help foster a love of reading right from the start and are a wonderful way to welcome students into our school community.

If you are crafty and would like to sew some bags, we would love your help!

If you are interested in supporting this initiative, please reach out to Sam Lytle ([Samantha.Lytle@sd71.bc.ca](mailto:Samantha.Lytle@sd71.bc.ca)) in the library. Your time and generosity will go a long way in making our young readers feel excited about their learning journey.

### **PAC**

We wanted to send out a massive, heartfelt thank you to every single one of you who pitched in to make our School Fun Fair Fundraiser such a fantastic success!

Seriously, we couldn't have done it without you. From the early birds helping set up tents and tables, to those who brought amazing energy running the game booths and food stalls, to the folks managing the crowds and tickets, and right through to the superstars who stayed late to help clean everything up – your time, effort, and brilliant smiles made all the difference.

Thanks to your incredible help, the school grounds were buzzing with happy kids, laughing families, and that wonderful community spirit we all love. It wasn't just about the fun (though there was plenty of that!), your contributions helped us raise valuable funds that will go directly back into supporting our students and school programs. You've truly made a positive impact!

Thank you once again for everything. We're so grateful for your support and community spirit!

Miracle Beach Elementary PAC and Fun Fair Planning Committee
