## Congratulations!!

Congratulations to our Miracle Beach spellers for doing so well at the District Spelling Bee held yesterday at Brooklyn. The Bee included 41 of the top spellers from 14 schools in the valley. Our very own Lou Grice placed 1st to win the day. Jesiah Wynd and April Scott also made it deep into the multiple rounds of the Bee. All three of you made Miracle Beach very proud!!

## Fun Fair Food Helpers Needed

Miracle Beach Pac is looking for volunteers for this year's Fun Fair to help with the food concession. We are looking for people to help with food preparation, help with the BBQ as well as order taking. Fun Fair is May 29nd from 4-7, and the shift would be an hour and a half long. If you would like to help with this, please email [Miraclebeachpac@gmail.com](mailto:Miraclebeachpac@gmail.com) for more information.

## Kid Made Market

Does your child have a talent for making crafts, gifts, or baked goods, art, plants, or whatever their heart desires? Empower your child by giving them the opportunity to sell their creations at our 4th annual kid created market on Friday, May 1. Flyer with more details attached to this email.

Our school garden is starting up this weekend! Families, if you have any extra seedlings you'd be willing to donate, we would greatly appreciate it. We are especially looking for tomato, zucchini, and cucumber starts, as well as any extra herbs.

The plan this year is to have students involved in every stage of the garden—from planting to caring for it and eventually harvesting. We're excited to offer a variety of vegetables for students to enjoy while learning where their food comes from.

If you have any donations please email Danelle at: <mailto:danellloisjohnston@gmail.com> or drop them off at the office.
