### **Planning on moving schools?**

If you are planning on moving your child/children to another school for September please let us know and proceed with their new registration. Until they are registered in another school your child's registration stays attached to our school and we plan accordingly, including them in our class making process.

### **Lost and Found**

Please come by the school and find some missing treasures that have accumulating over the term. Items will be place outside the school before and after for pick up for the whole of next week.
