**I wear a mask to protect
my face.**

My mask has a clear visor.

A figure skate and a hockey skate. Which one is which?

I wrap my hockey stick with hockey tape.

At hockey practice we do drills to develop our skills.

**We aim for the net and hope
to get a goal.**

**Yes! I scored! Oh man I
love hockey!**

**He's on a breakaway.
Will he score?**

**Sometimes hockey gets
rough and the players fight.**

The referee makes sure we play fairly.

Will this goalie block the puck?

Jingles!
Get out of the goal!
