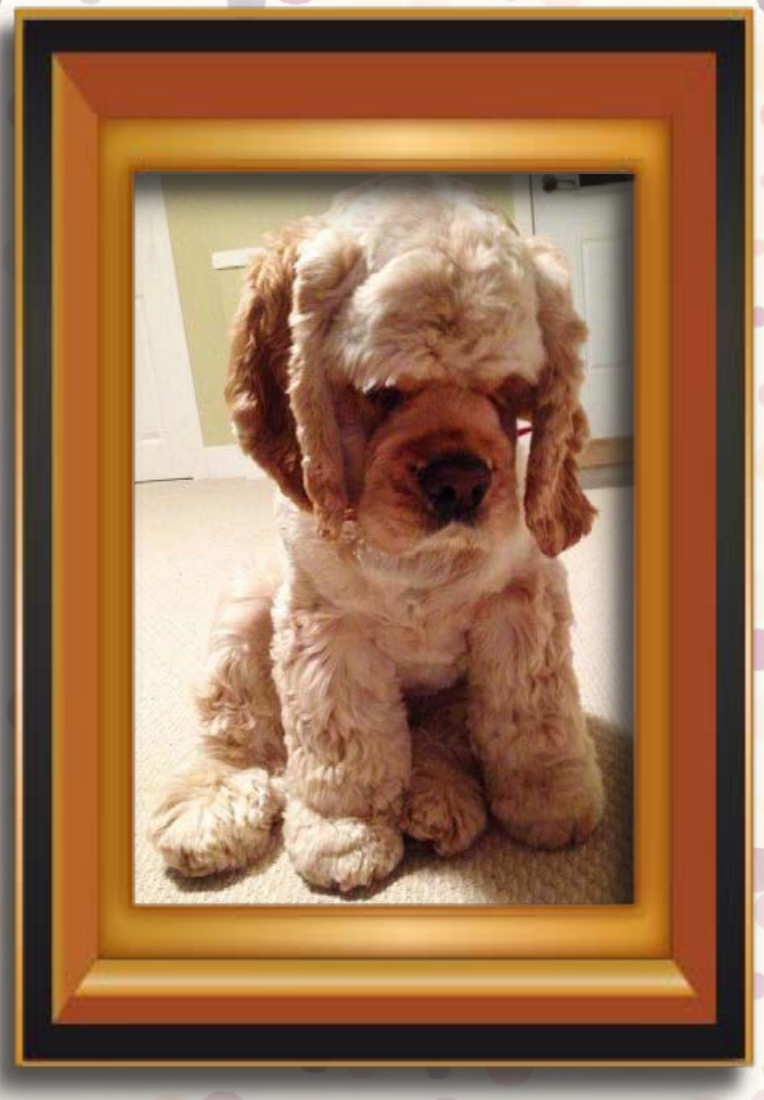
Meet Finn

Finn is a Cocker Spaniel. He lives in the Cowichan Valley on Vancouver Island.

Finn was born in Courtenay, B.C. Finn was eight weeks old when he found his owner.

When Finn was little he had a sore eye and had to wear glasses to protect his eyes from dirt.

Finn did a lot of silly things when he was little.



When Finn's owner says no, Finn pouts!

Finn learned how to behave when he went to puppy kindergarten.

In puppy kindergarten Finn learned how to play musical hoops!

Finn loves adventures! Finn's favourite place to visit is Osbourne Bay Beach in Crofton B.C.

Finn can even climb mountains!

Finn is also famous!

A Cowichan Valley artist painted his picture!

This painting shows Finn daydreaming at Maple Bay beach.

Now Finn is older and he has a lot of friends.

Finn is very fashionable! He is wearing his Cowichan sweater while watching field hockey at the Sportsplex.

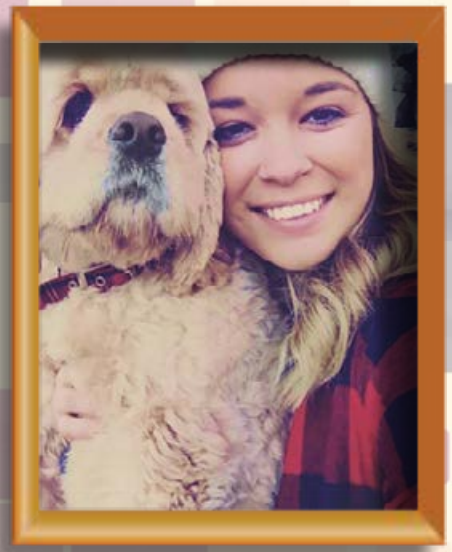
Finn likes to go for long hikes on Mount Tzouhalem.

Finn gets so dirty when he goes hiking.

Finn rafts down the Cowichan River with his owner. He floats from Lake Cowichan, B.C. to Duncan, B.C.

Sometimes Finn needs to cool down under a wet towel. Summers can be hot in the Cowichan Valley!

Finn likes all his adventures, but his favourite place in the whole wide world is beside his owner.



Our sincere thank you to Annie Mansueti for gifting us these photos of her little Finn. Annie was excited that Finn would bring joy to children on Vancouver Island through the power of reading.

From the classrooms of Vancouver Island, British Columbia, Canada.
