Wow! WHALES!

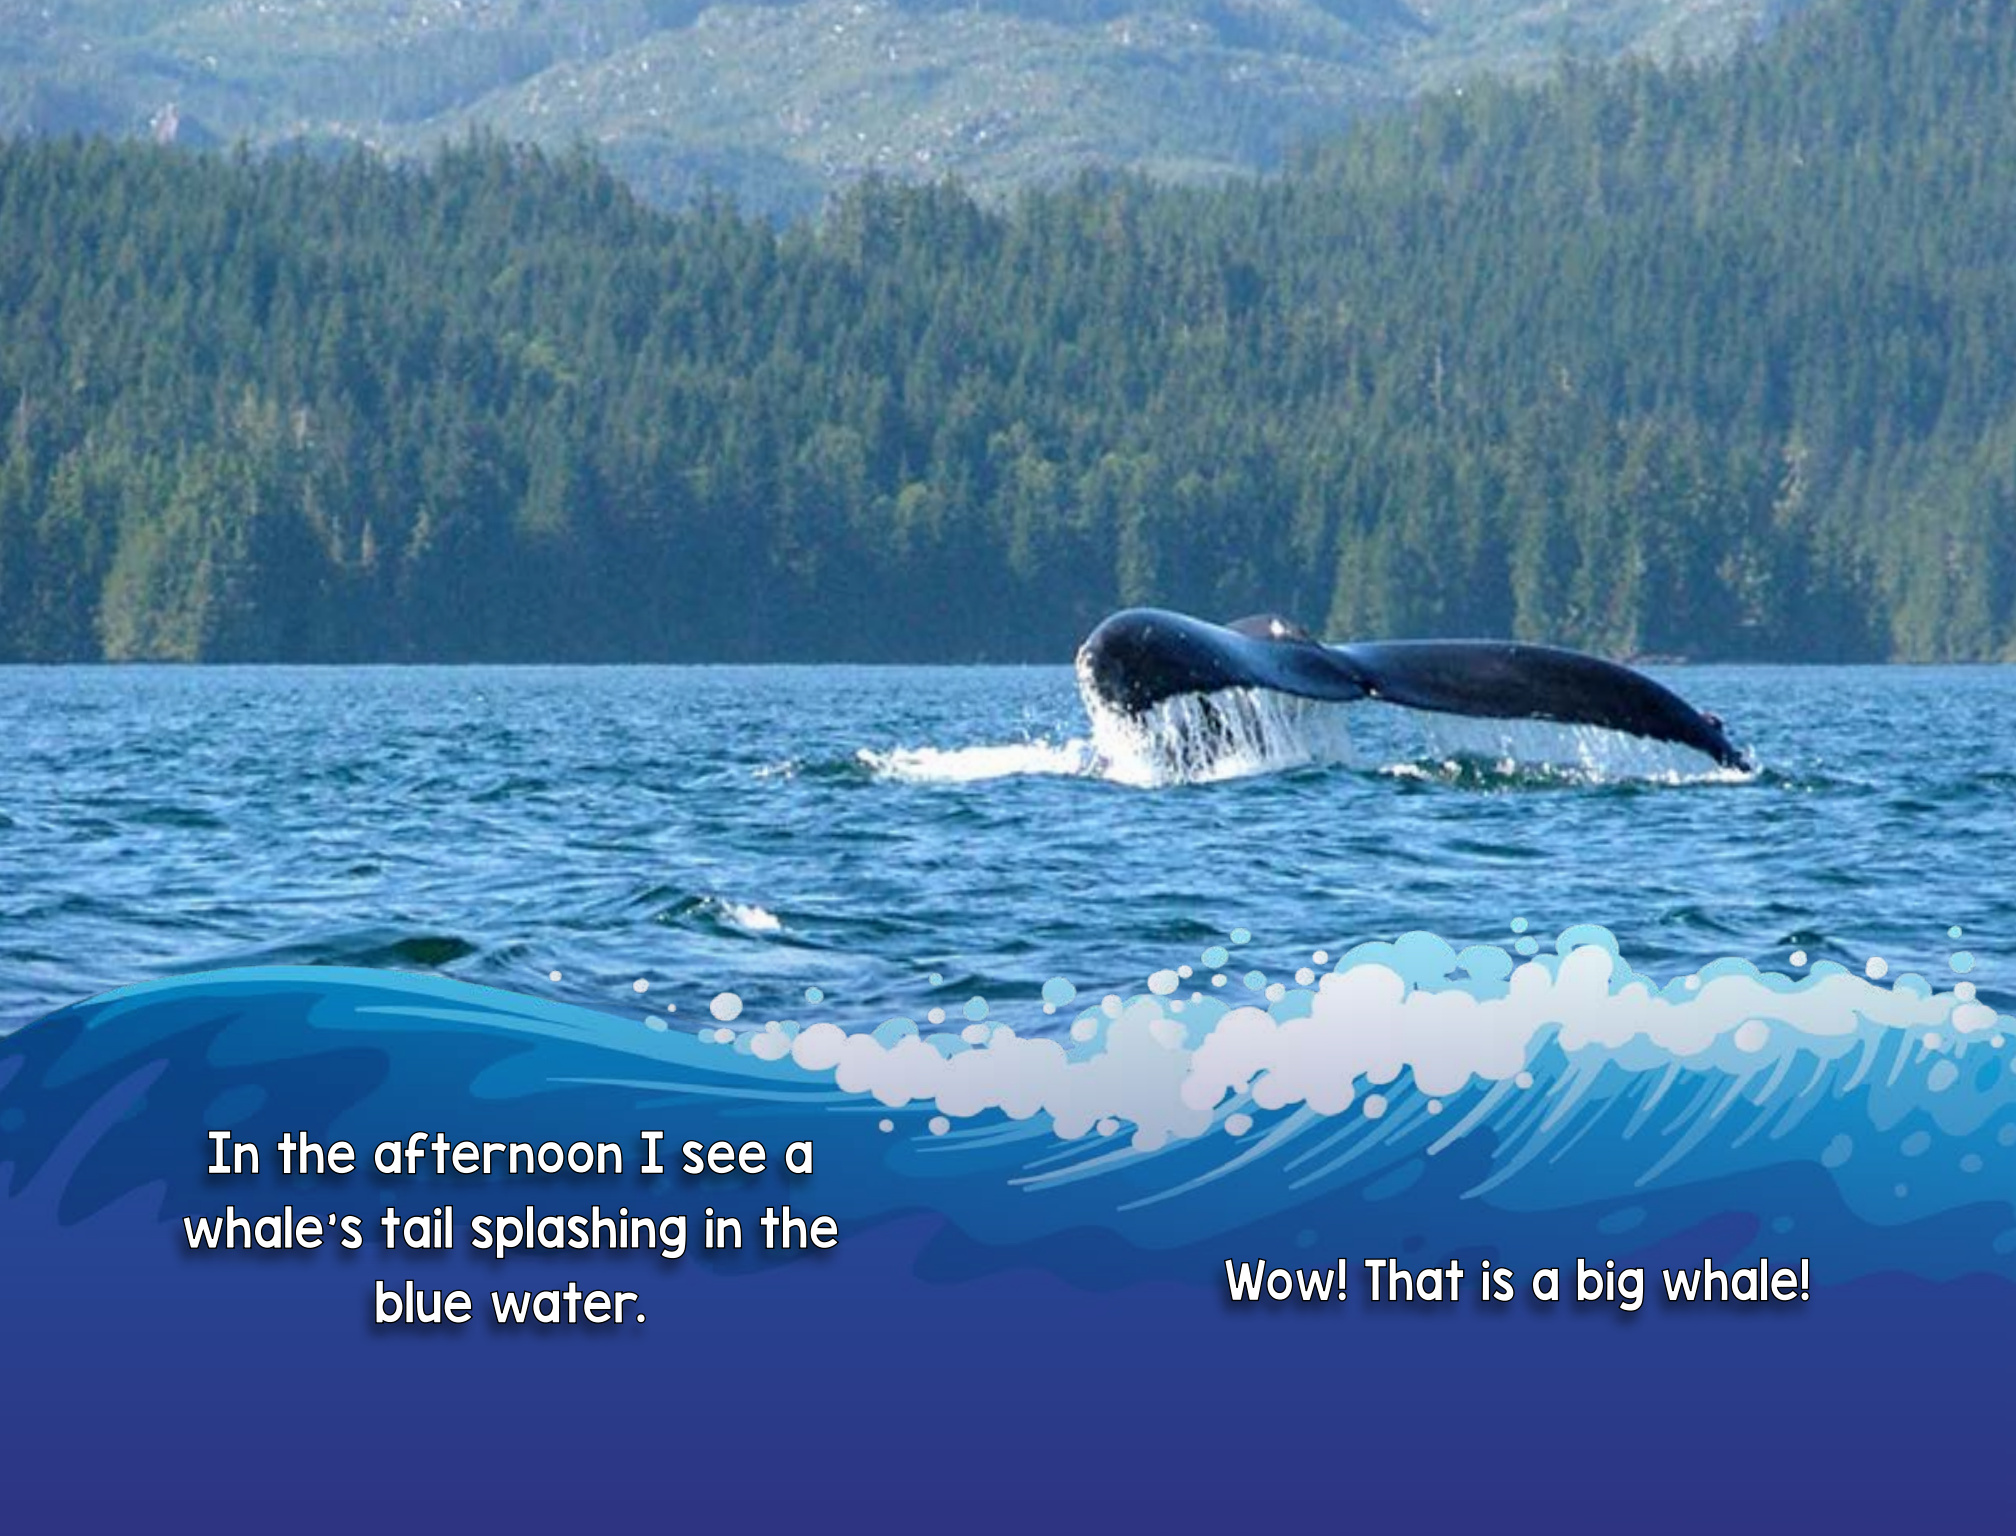

In the morning we go out in
our boat.

Wow! I see a whale!
It is breaching.

Wow! That is a big whale!
What a splash it will make!

Don't get too close!

In the afternoon I see a
whale's tail splashing in the
blue water.

Wow! That is a big whale!

At lunchtime I see a dolphin!
Wow! It is diving deep in the
water. Can you see its friend?

Just before dinnertime I see
a big whale's tail. Wow! I can
see barnacles on the tail.

Wow! Can you see the
barnacles?

I wonder what whales do
under the water. Where do
they sleep?

It is almost time to go home .
The sun is setting.
Good night whales!
