Principal's message

Good afternoon Valley View families,

As we learn about Earth day and all the environmentally friendly actions we can make, students have learned about the Comox Valley Transit system and some classes even went for a local ride. Many classes are preparing to plant gardens too! To help reduce paper cup wastage, we ask that students bring a water bottle to school.

Wishing you all a great weekend

READING LINK CHALLENGE

Six students from Ms. Caya's class went to the school district Reading Link Challenge event at Aspen Park Elementary. Out of 12 teams representing each elementary school in the district, our students placed second right behind Puntledge Park, who will be heading to Nanaimo for the Island Challenge.

Our students read 6 novels selected by VIRC librarians, with no knowledge of what trivia questions would be asked. Valley View got 23 out of 30 correct, tying with Robb Road and Royston for second place. This was Valley-View's first time participating in the challenge in five years. What a great showing!

Congratulations to Bria, Grace, Cami, Meher, Emerson, and Madison. Well done, girls!! We are so proud of you. Thank you Ms Johnson for leading this group!
