### Valley View Family Newsletter November 2nd, 2025

Happy Sunday! We hope you had a fun and safe Halloween and a restful weekend. With the time change today and gaining an extra hour, don't forget to set all your clocks and enjoy the extra hour. As is the Valley View tradition, we are going to have an optional pajama day tomorrow in lieu of the time change and surviving Halloween.

All days are outside play days and students will be outside for at least 40 minutes or more at recess breaks and outdoor learning times throughout the week. Students need to be prepared for outside time with a rain jacket, outdoor shoes like boots or rugged shoes. We have some equipment to lend at the office or if students need a sweater or dry socks in a pinch. If you need support to find warm or water-resistant clothing for your child, please contact the office.

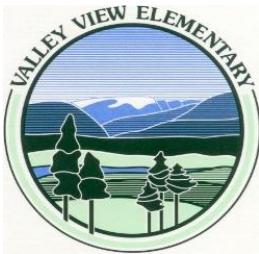

Candy and treats are fun but please limit them to one or two items to have at regular food times or save them for home time. Teachers may have specific expectations for their classrooms, please follow their guidance as well.

Student Learning Conferences are coming up on Thursday, Nov 20<sup>th</sup>. The school will be sending out an email for families to sign up for a conference time. Teachers may have a variety of availability from Wednesday afternoon to Thursday afternoon. They may also be asking to meet with both parents and students at the same time. Stay tuned for more information and save the date!

Family parking, student drop off and pick up is always a delicate balancing act however we are noticing some behavior that is creating a significant safety concern for our students and learning community. The staff parking lot is for staff only and people who need wheelchair accessible parking, all other parking is for families and guests. Also, please use the pick-up lane and do not park in the fire lane on the right of the driveway as this makes it difficult for our school buses to get through.

We are working with a school program this year called Safe and Active Schools to audit the whole school and community traffic patterns around Valley View. Parents are invited to the **Adult walkabout** – Typically comprised of parents, school administration, local ICBC Road Safety staff, RCMP, Public Health, City staff, and interested PAC members. The walkabout will take place on Nov 21<sup>st</sup> around morning drop off time however, the exact timing is confirmed. Save the date and watch this newsletter for more information.

Have a lovely weekend!  
Yolanda Lehton, Acting Principal
