Super games were played this week against some really fantastic teams. Our students held their own, played hard and made some fantastic 3-point shots too! Well done!

The practices are girls on Monday and Thursday afterschool and the boys practicing on Tuesday and Fridays afterschool. Please try to make all the practices. Both teams have games every Wednesday.

This week we play against Queneesh with the girls at Queneesh and the boys at home.

The teacher sponsors for the girls team is Ms. Monita canda.montia@sd71.bc.ca and for the boys is Ms. Lehton yolanda.lehton@sd71.bc.ca feel free to contact them if you have any questions.

Valley View Elementary

Feeding Futures Universal Lunch Program

January 2026

A NEW UNIVERSAL LUNCH PROGRAM IS HERE!

Starting January 19, 2026, a universal lunch program will be available at Valley View Elementary, giving every student the opportunity for nourishing lunch, every school day, regardless of their ability to pay.

Lunches are a suggested price of \$4 each. With support from provincial Feeding Futures funding, we are offering a pay-what-you can model. This means you can pay the full balance, nothing, or anything in between, whatever works for your family.

Please welcome Amber Johansen who has been hired by Comox Valley Schools to coordinate Valley View's lunch program!

What is a Universal Lunch Program?

A universal lunch program ensures all students have equitable access to nourishing food, supporting better learning outcomes, focus, and overall well-being. By offering meals to all students, the program reduces stigma, encourages students to try new foods, and promotes food equity across the school community

How does pay-what-you-can work?

Payments are anonymous. All orders are processed together, and we only see the total amount collected – not individual payment amounts. While recovering food costs will support the long term sustainability of the program, the amount you choose to pay is entirely at your discretion.

How will it work at Valley View?

Monthly menus will be posted online around the middle of the previous month. (For January 2026, online ordering will open on Monday January 12). Families will create a Munch a Lunch account, select the meals their student would like, make a payment at their discretion, and that's it! Meals will be delivered directly to students in their classrooms on the days they've ordered.

If you need support to place an order, please contact Amber Johansen – amber.johansen@sd71.bc.ca

Do I have to pay with a credit card?

Yes, currently, we can only accept online orders paid by credit card. If using a credit card is a barrier, you can select \$0.00 as your payment amount. Cash or cheque donations can be made separately, but they won't be connected to your account or lunch order.
