Highlights

Dear Families,

Looking ahead to what promises to be a beautiful week, we hope everyone enjoys the sunshine and fresh spring air! As the seasons change, our Lost and Found is filling up quickly with sweaters, jackets, and other items. Please take a moment to check for any missing belongings.

Congratulations to Saara, Sully, and Judah for representing our school at the district spelling bee. A special shoutout to Judah for finishing 4th—well done!

Our Primary students kicked off their golf lessons this week with the pros at Crown Isle. Our Intermediate students will begin their sessions there next week. A big thank you to Adrien at Crown Isle, Ms. Davidge and Mr. Bridges for organizing this wonderful opportunity for our students.

We're pleased to share that Ms. Lehton and Ms. Langan will be continuing in their administrative roles at the school next year. We also wish Mme Mowbray all the best as she moves on to her new school, École Robb Road.

Have a lovely week, everyone!

Yolanda Lehton and Tamara Langan

Student Learning Survey 2025/2026

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

This month the Student Learning Survey will be administered to students in grades 4 and 7, their parents/guardians/caregivers, and all school staff. We encourage all parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>. Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the Results section. The e-survey site will be open until May 1, 2026. If you have any questions, please contact Ms. Lehton at yolanda.lehton@sd71.bc.ca.
