Highlights

Dear Families,

What an amazing week it has been at our school!

Our students competed with incredible determination and enthusiasm at the Track Jamboree, returning absolutely glowing with school spirit. We are so proud of the effort, teamwork, and encouragement they showed throughout the event.

The Entrepreneur Fair was another highlight of the week. The creativity, innovation, and high caliber of products on display were truly impressive. Congratulations to all of our student entrepreneurs, and thank you to the staff who supported and guided them in bringing their ideas to life.

Friday also brought a wonderful opportunity for reflection and wellness as part of our Mental Health Week activities. Ms. Raposo offered students a peaceful and calming way to reset after a busy week, and it was lovely to see students engaging so thoughtfully in the experience.

We are excited to welcome Lennon, a PADS dog, along with Laurie, a retired educator who brings her extensive expertise in restorative circle work. This week, Lennon and Laurie began working with several of our classrooms, and over time they will support many more classes in the school. We look forward to seeing more of them around our community and to the positive connections they will continue to build with students and staff.

Thank you, as always, for your continued support.

Yolanda Lehton and Tamara Langan

Morrison Creek Special Event

You are invited to a special evening celebrating local watershed stewardship and story telling.

Join for a screening of the CBC short documentary *A Special Little Fish* (directed by Sonya Lee) followed by an exclusive behind-the-lens talk by local cinematographer (and Laketrail Alumni) Tiare Boyes on how the film was filmed on special equipment in Morrison Creek.

After the screening, President of the Morrison Creek Stream-keepers, Jan Gemmell will offer an engaging talk about the Morrison Creek watershed and the work the volunteer stream-keepers do to restore and protect the urban creek, home to the endemic and fascinating fish, the Morrison Creek Lamprey.

This is a unique opportunity to learn about local conservation efforts, the special fish in your backyard, to ask questions and connect with fellow community members.

When: May 12, 6:00pm

Location: Lake Trail Community school, Multipurpose room
 805 Willemar Avenue, Courtenay

Admission: Free

REGISTRATION IS NOW OPEN
