

Welcome to the Valley View Elementary School Community!

● 2026 ●

Parent Advisory Committee (PAC) What's a PAC?! You are!

As a parent or guardian of a child at Valley View Elementary, you are automatically a welcome member of the PAC. We are a team of parents, guardians, and educators working together to enhance our children's educational experience, recreational needs, strengthen communication between school staff and parents, and organize cultural and community-building activities. We also support fundraising efforts that directly benefit the school and its programs.

We meet one Monday a month in the school library at 6:30pm for a relaxed and friendly meeting. The 2026/2027 meeting dates are:

September 28th, October 19th, November 9th
January 11th, February 8th, March 8th, April 12th, May 10th

The more parents we have involved, the better we can represent the needs and interests of all students across all grades!

Meetings include:

- Updates from administration on upcoming school and district activities and initiatives
- Planning ways to enhance the school experience for our students and support our school community
- Communication with administration to allow suggestions and ideas to be brought to life
- Organization of fundraising efforts and grants that directly benefit the school and its programs, including voting on and approving how these funds are spent

Please join PAC meetings or participate in our events to stay involved and informed.

Every bit of help is valued and appreciated!
