

Arden WITS Song

(Sung to Bon Jovi's Living on a Prayer)

Working out our problems each day
We're using our WITS, and it's starting to pay for us.....for us

W's for walking away,
I is for ignore it ,
You don't have to engage, walk away.....walk away

Chorus:

We've got to hold on to what we've got
We're gonna make a difference if we work it all out
We've got each other and that's a lot for us
Let's give it a shot

Woahhhhhh, we're almost there,
Woahhhhhh, showing that we care
Use your WITS and you'll make it I swear
Woahhhhhh, showing that we care

T reminds us to talk it out
We listen to each other and share all our thoughts, talk it out....talk it out
Sometimes we've got to seek out some help
A teacher or parent can help to work it out
Seek some help, Seek some help

Chorus

With an extra *showing that we care*
guitar solo

We've got to hold on, ready or not.
If we use our WITS we can rise to the top.

Chorus x 2 with an extra "*showing that we care*" on the end
