Huband Park closed due to flooding

COMOX VALLEY, B.C. – Huband Park Elementary is closed Thursday, 17 December as a result of flooding following the heavy rainfall and accumulation of ground water during the past few days.

School district maintenance staff responded swiftly and the flow of water in the school has ceased. Maintenance staff will require a full day to clean up the residual water and dry the classrooms before operations can continue.

Parents, staff, students, and the community are encouraged to refer to the school district website and social media channels and tune into the local radio stations at 97.3 (The Eagle), 98.9 (The Jet) and 100.7 (The Raven) FM for the latest developments and updates.
