Town Hall with Medical Officers North Island

COMOX VALLEY, B.C. — Comox Valley Schools invites the community and the media to attend a COVID-19 update virtual Town Hall meeting Thursday 4 March from 7 to 8 p.m.

Medical Officers from Island Health Authority Dr. Sandra Allison and Dr. Charmaine Enns will discuss the current situation of the virus in our community, its impact on education and then take questions from meeting participants.

The Meeting will be hosted by the school district on Zoom. To access the meeting, visit http://bit.ly/SD71_ZoomTownHall.

The Town Hall will have limited space available online. A recording will be posted on the District website for those unable to attend the live-streaming presentation and to access for future reference.

-End-

NOTE TO EDITORS: As a reminder, media queries regarding school exposures and contact tracing are to be directed to Island Health Authority.
