Grad Attire Program expresses gratitude to community supporters

Comox Valley, B.C. – The Comox Valley Schools Grad Attire Program extends heartfelt appreciation to the community for their overwhelming support over the years and generous contributions towards ensuring every student's graduation day is memorable and with style. Graduation season is fast approaching, and while the outpouring of support has been instrumental in ensuring students have access to appropriate attire, more clothing items and accessories are needed.

The Grad Attire Program wishes to extend a sincere thank you to all individuals and organizations who have donated grad clothing and provided monetary support to address ongoing needs. Your generosity has made a significant impact and reaffirms the spirit of community within the Comox Valley.

The program would like to express the deepest gratitude to Cloverdale Paint and to Comox Valley Dodge for their generous donations and ongoing support of the program. Their backing exemplifies the community-minded approach that strengthens our program and uplifts our students.

There is still great need for additional support, particularly in the form of small suits and dresses for the upcoming graduation year. Every contribution, no matter how big or small, plays a vital role in ensuring that every student feels confident and celebrated on their graduation day.

For those who wish to contribute or require further information about donation drop-off points and other ways to support the Grad Attire Program, please contact Kelley Giorgianni at 250-338-2110 or kelley.giorgianni@sd71.bc.ca.

The Grad Attire Program continues to make a difference in the lives of our graduating students and create lasting memories they will cherish for years to come.

Congratulations grads of 2024
