1. People will not get coverage for their lieu days, so need to plan to minimize the impact on students and self.
2. September; the last week of January and first three weeks of February; and the last week of June are blacked out to using lieu days.
3. People need to check with their supervisor a minimum of 1-week before booking anything to get their lieu days approved.
4. These days would need to be used before going on a medical leave.
5. These days cannot be banked for the future; they must be used in the year they are acquired.
