Networking

1. Watch short video below followed by a class discussion on networking.
Networking for the Networking Averse
https://ed.ted.com/lessons/networking-for-the-networking-averse-lisa-green-chau
(~3 min)

Class Discussion:
1. What is networking?
2. What are some strategies to networking?
3. Why is networking important?

2. Using an example (maybe from your own life), model how to fill in the graphic organizer My Network.

3. Students complete their own My Network graphic organizer.
