District Track and Field Selection

After a very successful track and field jamboree where all students had a chance to participate in any and all events, we now move onto selections for the District meet on Wednesday. Six boys and six girls from each grade will be selected to represent Brooklyn next week. These students are chosen by the teacher group and are based on performance at events held at school and from results at the jamboree with some thought given to sportsmanship and commitment.

Thank you PAC!

The Brooklyn staff were treated to a wonderful Fresh Valley burrito lunch on Thursday as a thank you for all they do. It brought everyone to the staff room for some good food and conversation. Thank you!!
